## Profile

Dynamic and motivated individual with a background in sales and website design, seeking an entry-level IT position at MicroStrategy. Eager to leverage my skills in communication, problem-solving, and web technologies to contribute effectively to the team while gaining valuable experience and expanding my knowledge in the field of information technology.

## Employment History

### Website Designer

July 2021 — Present

- Designed and developed websites for small businesses and individuals, ensuring a user-friendly interface and visually appealing design.
- Utilized HTML, CSS, and web design tools to create custom websites tailored to client needs and preferences.
- Managed client relationships, gathering requirements, and providing ongoing support and maintenance for websites.
- Engaged in web design communities to share expertise and network with professionals.

### Sales Representative, Virgin Media

September 2023 — March 2024

- Provided exceptional customer service, addressing inquiries, and resolving issues to ensure customer satisfaction.
- Demonstrated product knowledge and effectively communicated features and benefits to customers.
- Achieved and exceeded sales targets through proactive selling techniques and relationship building.
- Collaborated with team members to optimize sales strategies and meet team goals.

## Education

### Computing science & Admin IT , Holy Rood R.C High

August 2015 — May 2017
